# Design your Dream Playground

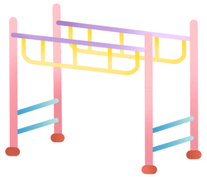

Use the design below to design a playground for your community

## Choose your features

## Tell us about your design

# Fact Cards

**Spark curiosity. share facts and get people thinking about the role of local government in their everyday life**

## QUESTION

**What makes a great community space?**

## FACT

**Parks and open spaces help people stay active, connect with others and support mental wellbeing**

## QUESTION

How do **councils know what the community want?**

## FACT

**Councils use different methods to understand** community needs. Feedback is **considered alongside budgets, evidence, responsibilities and other requirements**

# Future Makers Project Template

## Our challenge

## Our idea

## Who benefits?

## What would it look like?

## What would it cost or need?

## Our next steps
